Reminders Worth **a Second Look**

The yearly exam recall, a contact lens reorder, a pickup notice, and a no-guilt welcome back. Two real moments, a last lens with its own museum label and new frames mid hand-off, sit beside the eye chart and the headline that comes into focus.

R1 Yearly eye exam recall

8.5 x 5.5 · Postcard, generic wording

An eye chart whose lines spell out the reminder, line three in particular

R2 Contact lens reorder

5.5 x 11 · Postcard, generic wording

A museum placard for the last contact lens in the box, over a photo of one lens balanced on a fingertip

R3 Glasses ready for pickup

4.25 x 5.5 · Postcard

A handwritten arrow that says yours, pointing at new frames mid hand-off

R4 We've missed you

4.25 x 5.5 · Postcard, generic wording

The headline comes into focus one word at a time, blurry to sharp

An Exam for **Every Age**

From a first exam at 6 to 12 months to yearly exams at 65 and older, real patients in real exam chairs, one age group per card, using only verified exam ages. Each mail side notes that it is general information.

A1 First eye exam 6 to 12 months

5.5 x 11 · Postcard

The photo framed as the round view through an exam scope, a baby reaching back at the doctor

A2 Preschool eye exam ages 3 to 5

4.25 x 5.5 · Postcard

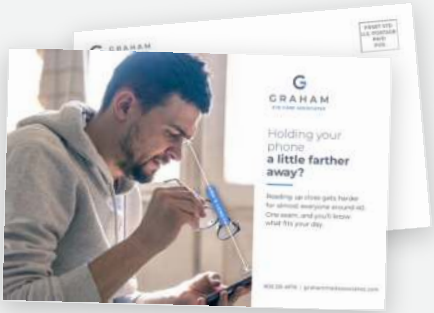

A speech bubble naming the picture a preschooler sees inside the exam machine

A3 Exam before first grade

5.5 x 11 · Postcard

A first-grade desk nameplate with the alphabet strip, set in front of a boy in trial frames

A4 Around 40 reading vision

8.5 x 5.5 · Postcard

A drafting dimension line measuring arm's length from his eyes to the phone he holds away

A5 Yearly exams at 65 and older

4.25 x 5.5 · Postcard

A CHIN HERE, once a year sticker on the slit lamp's chin rest

Benefits, Frames, **and New Options**

Year-end benefits, a second pair, a LASIK seminar, a dry eye clinic, and myopia control for kids. Photography carries four of the five, each with one drawn detail on top. Offer copy is a sample a practice can replace.

P1 Use your vision benefits

8.5 x 5.5 · Postcard

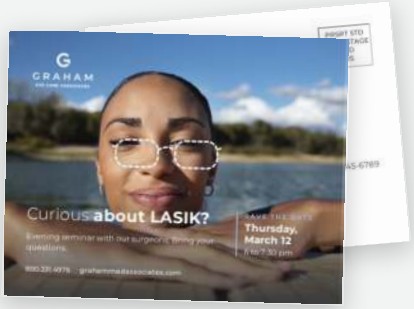

Glasses whose lenses are November and December calendar pages, the 31st circled

P2 Second pair promotion

5.5 x 11 · Postcard

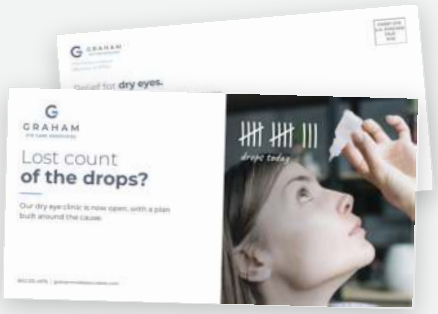

A shelf talker from the frame display reading Pair No. 2

P3 LASIK seminar

4.25 x 5.5 · Postcard

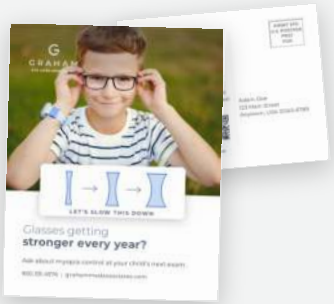

A dashed outline marking where her glasses used to sit, over a swimmer at the dock

P4 Dry eye clinic

5.5 x 11 · Postcard

A chalked tally of eye drops so far today beside a woman reaching for one more

P5 Myopia control for children

4.25 x 5.5 · Postcard

Three lens edges drawn side by side, each thicker than the last, for myopia control

Sealed Letters for **Ongoing Care**

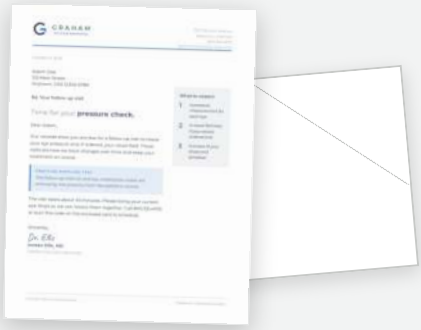

Anything that names a condition, a result, or a medication goes in an envelope. These letters carry the layout, the next step, and a practice-supplied block for the clinical content.

L1 Diabetic eye exam reminder

8.5 x 11 letter · Sealed letter

A letter with an at-your-visit rail so the dilation and driver details are impossible to miss

L2 Glaucoma follow-up recall

8.5 x 11 letter · Sealed letter

Calm letterhead with a what-to-expect rail

L3 Post-op eye drop schedule

8.5 x 11 letter · Sealed letter

A refrigerator-door grid: four weeks across four times of day, built for check marks

L4 Prescription copy letter

8.5 x 11 letter · Sealed letter

The prescription card sits inside the letter, ready to hand to any optician

Seasons, Months, **and Screens**

Glaucoma, UV safety, screen breaks, back to school, and the dilated exam. A slit lamp lights the headline, the sun crosses the sky, and a route to school stops at the eye doctor.

S1 Glaucoma Awareness Month

8.5 x 5.5 · Postcard

The slit lamp's beam lights only a narrow band of the headline, the way glaucoma leaves the center for last

S2 UV Safety Month

5.5 x 11 · Postcard

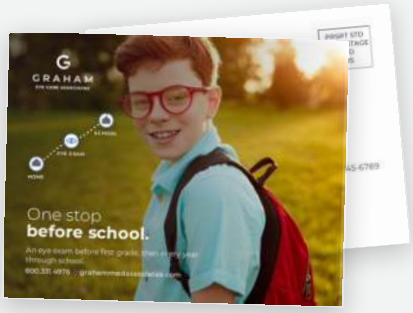

The sun's dotted path across the sky, marked UV at sunrise, noon, and sunset

S3 Digital eye strain

4.25 x 5.5 · Postcard

A BE RIGHT BACK sign hung for her eyes while she looks out the window

S4 Back-to-school eye exams

4.25 x 5.5 · Postcard

A dotted route on the way to school with the eye exam as the stop in the middle

S5 Diabetic Eye Disease Awareness Month

5.5 x 11 · Postcard

A round inset of the retina, what the ophthalmoscope's light shows the doctor

New Patients, **In Focus**

Glasses packed in the OPEN FIRST box, LOOK with frames for its O's, a hand-lettered shop-window sign, and a letter with five frame shapes to circle and bring in.

N1 New mover welcome

8.5 x 5.5 · Postcard

Glasses packed first, a tape label marked OPEN FIRST

N2 Meet the doctor

5.5 x 11 · Postcard

LOOK, with the two O's drawn as frames

N3 Neighborhood saturation

4.25 x 5.5 · Postcard

Hand-lettered shop-window sign: welcome, new patients

N4 New patient letter

8.5 x 11 letter · Letter, mailed in an envelope

Five frame shapes to circle and bring to the first exam
