# Recalls That **Bring Patients Back**

Real visits carry the recalls now: a calendar leaf pinned over a yearly visit, a ring of months around a wellness check, a reserved card on a waiting-room chair. The torn calendar page and the flu ticket stay graphic. Every card uses generic wording, so it is safe on a postcard.

### R1 Yearly visit recall

8.5 x 5.5 · Postcard, generic wording

A calendar leaf with one day circled, pinned over a real visit

### R2 Medicare yearly wellness visit

5.5 x 11 · Postcard, generic wording

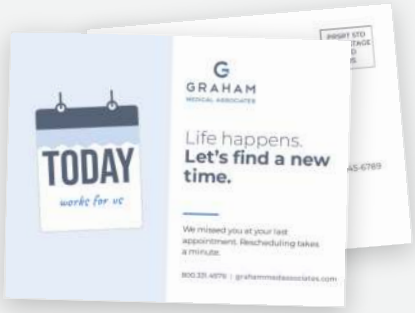

A ring of twelve months with one visit lit, over a checkup

### R3 We've missed you

4.25 x 5.5 · Postcard, generic wording

A RESERVED for Adam tent card on a real waiting-room chair

### R4 Missed appointment follow-up

4.25 x 5.5 · Postcard, generic wording

A page-a-day calendar leaf torn to reveal TODAY

### R5 Flu clinic walk-in

5.5 x 11 · Postcard

A ticket stub with the clinic date as the headline act

# Milestones Worth **a Postcard**

Birthday-triggered mail for 40, 45, and 65, and for young adults leaving the pediatrician, each one a real person with one drawn idea on top: her own list, a mile marker on his road, a doormat at her door. Only verified screening ages are printed.

### A1 Turning 40

8.5 x 5.5 · Postcard

Her own list with Celebrate checked and one item to go

### A2 Turning 45

5.5 x 11 · Postcard

A MILE 45 marker on the shoulder of his road

### A3 Turning 65 Welcome to Medicare

8.5 x 5.5 · Postcard

A Welcome to Medicare doormat at her own front door

### A4 Bone density 65 and older

4.25 x 5.5 · Postcard

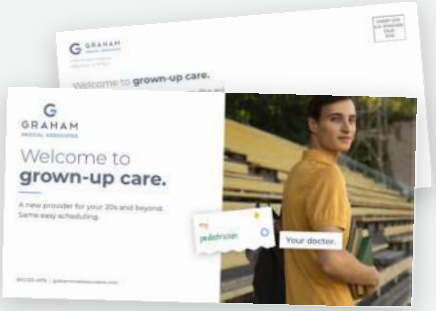

The headline itself gets denser, word by word, from hairline to black

### A5 One-time AAA screening

4.25 x 5.5 · Postcard, generic wording

A rubber stamp reading ONE TIME beside his portrait

### A6 From pediatrician to adult care

5.5 x 11 · Postcard

A torn crayon scrap, my pediatrician, beside Your doctor

# Letters That **Do the Hard Jobs**

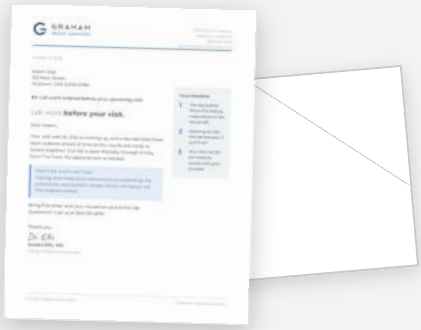

Sealed mail for anything about a patient's own care: a screening that is due, lab work before a visit, a provider's retirement, and results. Clinical wording stays with the practice; we design the letterhead, the layout, and the next step.

### L1 Care gap screening letter

8.5 x 11 letter · Sealed letter

Letterhead with a three-step rail so the next action is never in doubt

### L2 Lab work before your visit

8.5 x 11 letter · Sealed letter

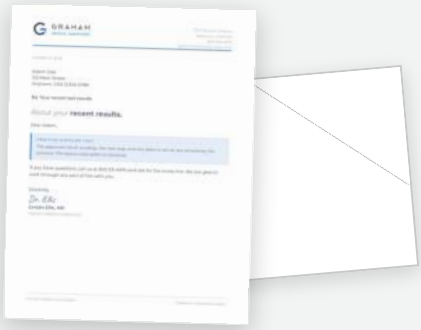

A letter with a three-stop timeline down the side: day before, morning of, your visit

### L3 Provider retiring letter

8.5 x 11 letter · Sealed letter

A letter in the provider's own voice, signed by hand, that reassures before it informs

### L4 Results letter

8.5 x 11 letter · Sealed letter

Clean letterhead, generous white space, nothing that competes with the message
